

BALETA

LUCE o TU

BLW01

Linee essenziali, ottone e vetro si incontrano in un'appliche che trasforma la luce in una presenza delicata.

Baleta BLW01 dialoga con l'architettura attraverso forme pure e proporzioni equilibrate, valorizzando gli spazi con discrezione e raffinata semplicità.

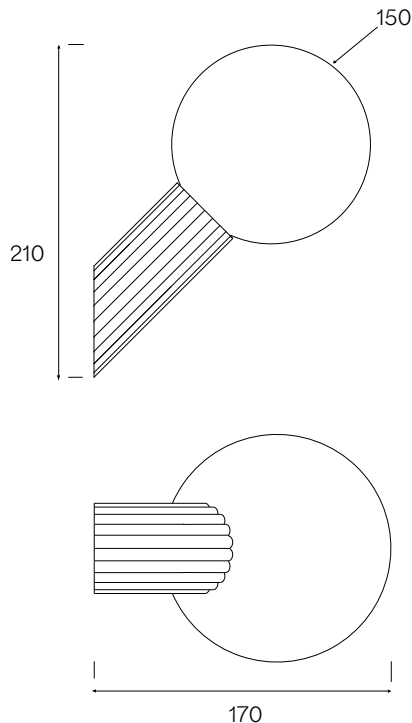

Essential lines, brass and glass come together in a wall light that transforms light into a subtle presence.

Baleta BLW01 engages with architecture through pure forms and balanced proportions, enhancing interiors with understated elegance and refined simplicity.
