

CRAPA

CRS01

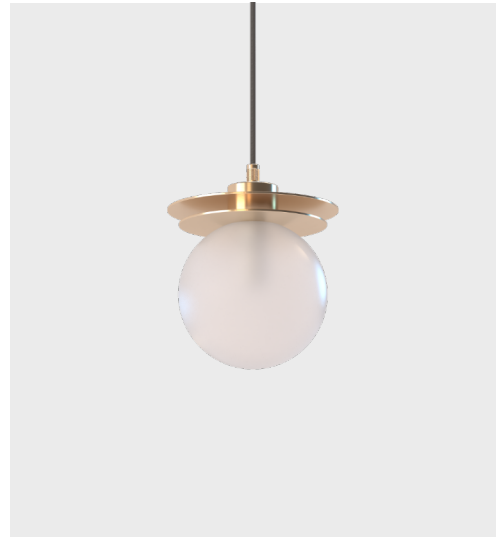

LUCE o TU

Crapa CRS01 interpreta la luce attraverso forme essenziali e perfettamente bilanciate.

La sfera in vetro soffiato sembra sospesa sul disco metallico, dando vita a una composizione leggera che valorizza lo spazio con naturale eleganza.

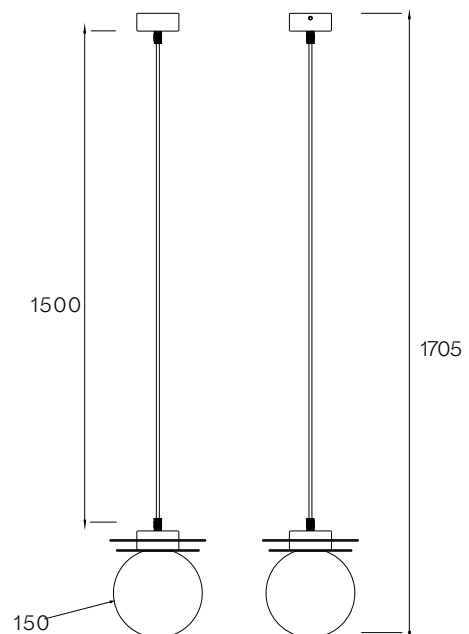

Crapa CRS01 interprets light through essential, perfectly balanced forms.

The hand-blown glass sphere appears to float above the metal disc, creating a light composition that enhances interiors with natural elegance.
