LUCE o TU

Ridotta alla sua forma più essenziale, la sospensione esalta il fascino del vetro borosilicato lavorato a mano.

Ottone e pietra ne completano il disegno, creando una presenza luminosa elegante che accompagna l'architettura con naturale equilibrio.

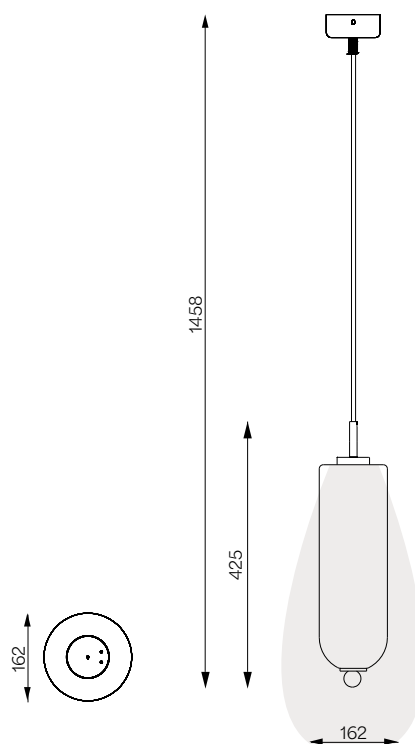

Reduced to its purest form, the pendant highlights the charm of hand-crafted borosilicate glass.

Brass and stone complete the composition, creating an elegant luminous presence that enhances architecture with natural balance.

Dettagli tecnici | Data sheet

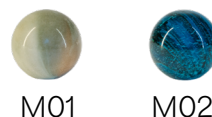

Type:	Suspension	
Light source:	Cob LED	
CRI:	90	
Class:	IP20	
Colour temperature:	3000K / 2700K	
Driver:	on/off	Dali dimmable
Watt:	8W	11W
Lumens:	1274 Lm	1752 Lm
