

SBARLUSC

SB.SW02

LUCE o TU

Sbarlusc SW02 interpreta la luce attraverso un equilibrio di materia e trasparenze.

La doppia emissione amplifica il dialogo con l'architettura, diffondendo una presenza luminosa discreta che valorizza lo spazio con eleganza e profondità.

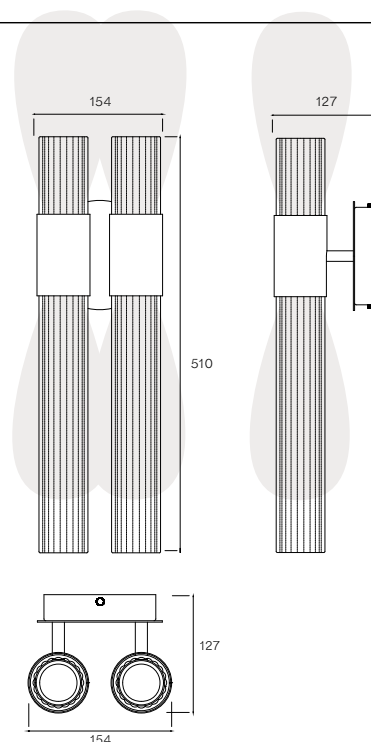

Sbarlusc SW02 interprets light through a balance of materiality and transparency.

Its dual light emission strengthens the dialogue with architecture, creating a subtle luminous presence that enhances spaces with elegance and depth.
