

# OFFICE III

## OFF III

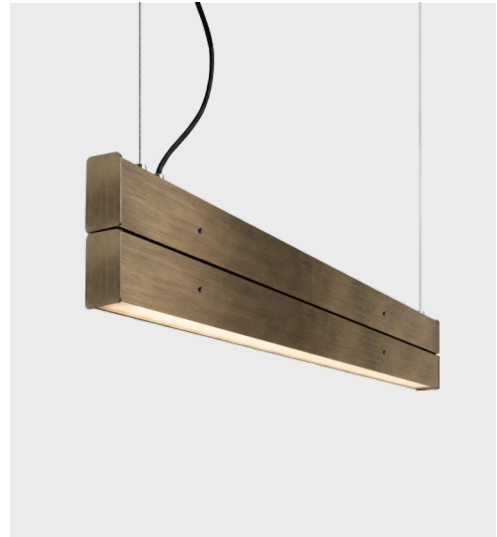

LUCE o TU

OFFICE / III interpreta la luce come parte del progetto d'interni.

Materiali, finiture e dettagli artigianali definiscono un volume essenziale che dialoga con arredi e architettura, creando continuità materica e un'eleganza senza tempo.

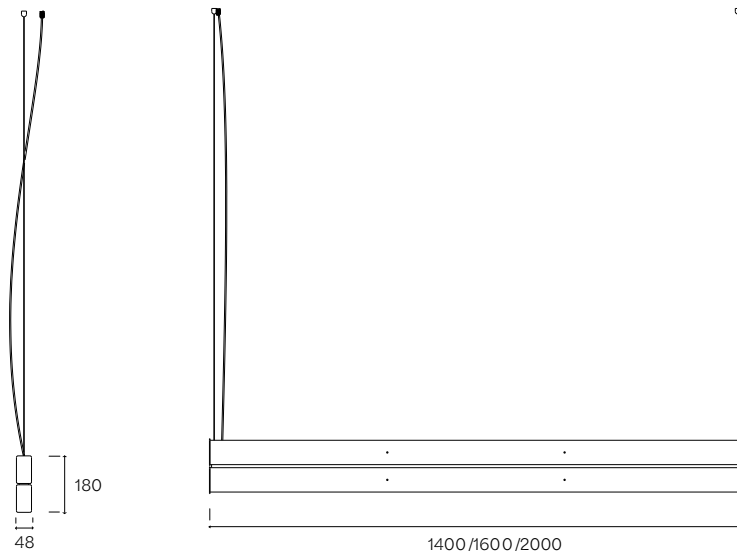

*OFFICE / III interprets light as an integral part of the interior design.*

*Materials, finishes, and handcrafted details define an essential volume that complements architecture and furnishings, creating material continuity and timeless elegance.*
