

OFFICE VI

OFF VI

LUCE o TU

OFFICE / VI interpreta l'essenzialità con equilibrio e discrezione.

Le linee pulite e la finitura brunita valorizzano la matericità del metallo, integrandosi con naturale eleganza in ambienti dai toni caldi o dalle palette più neutre.

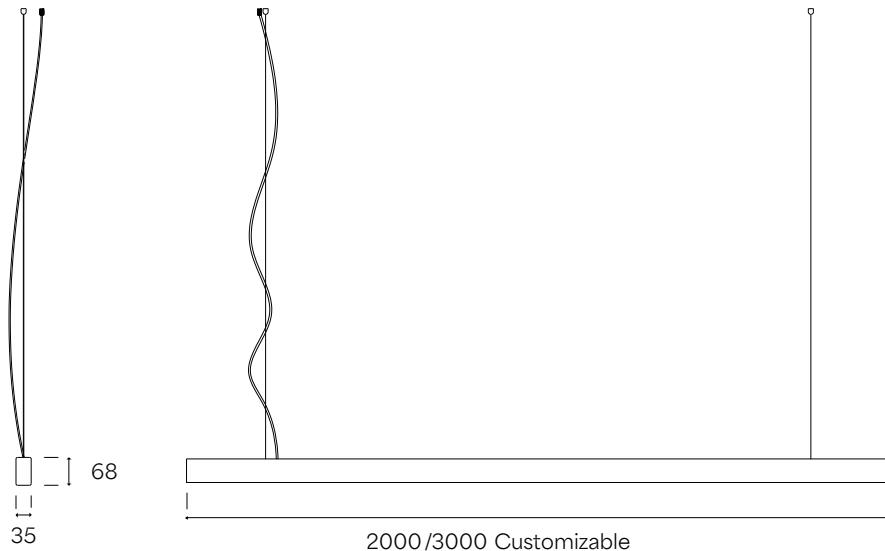

OFFICE / VI expresses simplicity with balance and restraint.

Clean lines and the burnished finish enhance the materiality of the metal, blending naturally into interiors defined by warm tones or more neutral palettes.
